

CAMP 5 MOUNTAINEERING

Belt of Truth

Champion climbers depend on their strong belts to help them reach the mountaintop. God's all-star champions need the "belt of truth" to help them be truthful in all situations, even when it is easier to lie.

Bible champion Peter learned to depend on God's power to help him.

Starting at the bottom of the mountain, cross out every other letter until you get to the top. Then fill in the blanks.

CAMP BICYCLING 2

Helmet of Salvation

Bicycling champions wear helmets to protect their heads from injury while racing.

God's all-star champions need the "Helmet of Salvation" so Jesus can help them think clearly and make wise choices.

Bible champion Zacchaeus made a choice to follow Jesus and join God's team. This key verse asks us to make the same choice.

Have you made a choice to join God's team?

Fill in the names of God's champions that you know. They can be Bible champions or people you know living today. Don't forget your name if you have made a choice to join God's team and follow Jesus.
